

A trusted wellbeing resource supporting staff and families.

SchoolTV is an evidence-based wellbeing resource designed to support staff and reinforce best practice when working with students and families. Our school has partnered with SchoolTV to provide you with access to clear, expert-led guidance on the issues affecting young people today.

SchoolTV offers practical strategies, trusted information and resources from leading specialists and organisations, supporting early identification of concerns and confident referral of families to evidence-informed support. Content is easy to access, can be viewed privately and supports consistent, constructive conversations between school and home. **Written content** can be translated into more than **60 languages**, with expert **video content** available in **Russian, French, Spanish, Hindi, Chinese and Arabic**.

Throughout the year, SchoolTV also offers **free expert-led webinars**, providing practical, evidence-informed guidance on key wellbeing topics.

Staff are encouraged to use SchoolTV regularly and refer families as needed. You can also sign up to **Get Alerts** within any SchoolTV topic to stay informed when new content is released.
