

Instructions & Script for Presentation Slides

The Presentation Slides are designed to be used for events involving parents, carers or educators to introduce SchoolTV to your community. Slides are offered in two size formats **4:3 or 16:9** so ensure you select the most suitable format for your screen.

Download slides 1-4 to insert into your presentation and print out the following script to use in conjunction with the slides.

SLIDE 1:

SchoolTV is a parenting resource supporting student mental health and wellbeing.

SchoolTV aims to help you understand some of the more complex issues associated with youth wellbeing.

Our school has partnered with SchoolTV to provide you with a trusted resource that prioritises student mental health and wellbeing. With the right support and by working together, we can improve learning outcomes and better enhance the wellbeing of all students.
